Accreditated Laboratory EN ISO/IEC 17025 by ACCREDIA, N° 1786L

ATTESTATION OF CONFORMITY n° 21LA001

REGISTRATION N. 21LA001

Pistoia, 03/02/2021

RELEASED TO: **UR FOG S.R.L.**
Via TOSCANA 38
10099 SAN MAURO TORINESE (TO)

PRODUCT: **WHITE OUT FOOD GRADE FLUID**
EMITTED WITH UR FOG Modular Pump C2 Sn 1030 - FPU03ESM2

Sampled by: **THE CUSTOMER**

Sampling Date: **10/12/2020**

End of Testing: **02/01/2021**

Report: **FC 200425.02**
FC 210005.01

This attestation of conformity and the relative analytical data referres only to the tested samples. They must not be published, used in litigation or reproduced without a written permission of Food Contact Center

Sample identified as: **WHITE OUT FOOD GRADE FLUID EMITTED WITH UR FOG Modular Pump C2 Sn 1030 - FPU03ESM2**

After specific testing (Ref. Test Report FC 20425.02 and FC 21005.01)

we hereby declare that

it is in accordance with

- Reg 1935/2004/EC

the tested sample called

WHITE OUT FOOD GRADE FLUID EMITTED UR FOG Modular Pump C2 Sn 1030 - FPU03ESM2

referring to the examined parameters, meets the requirements of the aforementioned legislation. It can be installed in rooms where food and beverage occur. It does not transfer its constituents to food in quantities which are harmful for human health; it does not bring about an unacceptable change in the composition of the food; it does not cause a deterioration in the organoleptic characteristics of the food.
